Hi Lisa,

The beginning of Oct is ok...the middle/end is getting a little crazy.

Kate:

Cancel that request... I did get your notes. No one bothered to pass them along to me (yet).

What do your October dates look like now??

Thanks,  
Lisa

Thanks,

Kate:

Do you happen to have any notes from your analysis for this marijuana case? I would like to turn them over if you do.

Date of analysis: 5/27/2010

Please fax me whatever you have (as soon as you can!)

Thanks,  
Lisa

Hi Lisa,

Attached is a copy of my CV. The end of Sept is a little crazy for me but Oct is wide open and so is the beginning/middle of Sept.

Thanks,  
Kate

Hi Kate:

I just received a drug certificate for a class D analysis that you did.

Could you please forward me your CV so I can turn it over to the defense attorney?

Also, what's your schedule like for Sept/Oct? We have a Sept 2 court date to select a trial date.

Thank you,  
Lisa
